And oh, there is no power on Earth, or below
That could ever break our hearts Or shake our souls
And when you Lay Me Down you'll only bury bones

DarkSea,
1. Because it looks like they're just trying to annoy us.
2. They asked for stars.

ignore them? do what you want.
reporting them is false reporting. if you report an account *just* because you think it might be a troll account, you're not reporting reasonably.

After repeatedly asking them to use correct spelling/grammer and being ignored, and being called mean (or men) for it, they are the one being mean.
